## Luxury apartment floor plans 3 bedroom

One of the most important aspects of any floor plan is the dimensions of each room, as this will determine how the space can be used and furnished. 23 | Source: Hunters Crossing 24 | Source: The Retreat 25 | Visualizer: FIXarh 26 | Source: Camden A three bedroom apartment with modern, unobtrusive decor makes for the perfect corporate suite or temporary housing for traveling executives. The most popular layout includes an en-suite bathroom in the primary bedroom, plus a second full bathroom shared by the other 2 bedrooms. You don't own it, so you're limited on what you can do with your space. Some apartment units may include a fireplace, which is a nice feature if you live in a cooler climate. Storage Storage space is also important in a 3 bedroom apartment plan. You often get high-end finishes and more space. Soho 3 Bedroom Floor Plan The District At Saxony Apartment Homes 3 Bedroom Floor Plans At Sunrise Harbor Luxury Apartments 3 Bedroom Bath Flat Gb Bed Apartment District Lofts Pin Page 3 Bedroom Apartment House Plans Plan G Three Bedroom Two Bath Harbor Village Apartments Free Editable Apartment Floor Plans Edrawmax Pin Page 17 Three Bedroom House Floor Plans 3 Bedroom Apartment Plan Examples Because 3 bedroom apartment plans are designed to accommodate 4 or more residents, you'll usually find that the floor plans contain a larger kitchen, a more generous living room, and a designated dining area. Luxury Split-Bedroom Apartment This luxury two-bedroom unit separates the bedrooms with an open floor plan and spacious balcony, perfect for dining. For example, typically, apartments will charge a pet fee on top of standard rent if you have pets. We feature 50 three bedroom home plans in this massive ... The kitchen often includes more counter space and full-size appliances. The floor plan includes three bedrooms, two bathrooms, a kitchen, a dining room, a living room, and a balcony. Possibly. One-story 3 bedroom/2 bath layouts are more common. Making a Luxury Apartment Work for You The most significant factor to consider in making a luxury apartment work for you is the price. 14 | Visualizer: Pradiptha Seth Many homeowners may overlook the luxury of built-in closets, so this design makes stylish and practical use of freestanding wardrobes in each of its three bedrooms. Outdoor Access For apartment living, access to a private outdoor space, such as a balcony or patio, is often appreciated. All of the bedrooms feature walk-in closets, and the master also has a dedicated bathroom. Apartment plans at the higher end of the size range will often contain a full laundry room. This unit also offers a private entrance via elevator. An outdoor dining area with deck chairs is perfect for warmer weather and has a private entrance from the master bedroom. However, you might also have some extra perks like a doorman, added security, and a private garage for extra storage.Some complexes might even have things like a hair salon, spa, and shops. So, if everyone in your family enjoys a soak, be sure to look for plans with 2 full bathtubs. Decks running outside two sides of the home give many relaxing options while the bedrooms are cleverly arranged to leave space for work areas and storage. Are you going to get rid of your dog, or will you be forced to move? Of course, it's a relatively safe bet that the more extreme the amenities, the higher your rent will be. Depending on the complex, there could be an assortment of one, two, and three-bedroom units or even more bedrooms. If the layout is two-story, you'll often find a 1/2 bath downstairs with 3 bedrooms and 2 bathrooms upstairs. However, apartments come in all shapes, sizes, and styles, and if you have the dough, they can get pretty lavish.Luxury apartments usually stand out from other units thanks to their high-end finishes and extra perks. 4 | Visualizer: Astin Studios Another three bedroom layout from Astin Studios turns the largest bedroom into the lap of luxury with white marble floors, a conversation nook and a walk-in closet. As you check out the living rooms in 3 bedroom floor plans, think about how your existing furniture will fit and where to place your entertainment center. 15 | Source: Media Contact The simplicity of the furniture choices in this three bedroom apartment ensure that it feels extremely spacious, while still including all the necessities, like three baths, an office area, a dining area, a spacious kitchen and even a balcony. Finally, many apartments include things like water and garbage pickup in the rental price. You want to find a place that you can shape and mold into a home that suits your needs. What really sets this unit apart is the impressive wrap-around corner terrace, shared by the living area and a spare bedroom. You get the idea. Then, you need to consider some logistics like whether the complex allows pets if you have any. In some complexes, there might only be luxury studio apartments available or just studios and one-bedrooms. You'll find large outdoor living areas like oversized wrap-around terraces in some areas, while others might offer a single balcony.When choosing where you'll rent, check out available apartment buildings in the area to find one compatible with your needs. Conversely, you could use a lift-up table on the side of the counter that faces the living room. Many plans will include an entry coat closet, a linen closet, and walk-in closets in some or all of the bedrooms. Copyright Â© 2017 LAOISENTERPRISE.COM - All rights reserved 628 Views Updated: October 23rd, 2021 If you choose to rent instead of own, you might picture some small apartment with white walls and beige carpet. Living Room The living room is located at the front of the apartment, and it measures 12 feet by 15 feet. This bedroom includes a large window that overlooks the balcony, and it also has a built-in closet. Do you get anything extra on top of what you might expect in a nice, standard apartment building? 10 | Unknow This small, three bedroom still leaves space for a larger family, fitting siblings in one back room. As far as dining, you'll often see an area marked on the floor plan for a full-size dining table and chairs to accommodate everyone living in the unit. Allura Las Colinas is a luxury apartment community featuring 1-, 2-, and 3-bedroom apartments & townhomes in beautiful Irving, TX. Rent varies widely across the country and even from city to city within the same state. But what about luxury apartment buildings? What are the benefits of living in a luxury apartment?There are several benefits when it comes to a luxury apartment. Be sure to check out the space allocation for storage on each floor plan. 28 | Visualizer: Media Studio Arch 29 | Visualizer: Rohan Corporation 30 | Source: Morphueus Group 31 | Source: Assotech 3 Bedroom apartment with servant's room. The visualizations here show many different ways that three bedrooms can be put to good use with stylish furnishings and unique layouts. What Are Some Unique Perks that Come with Luxury Apartments? However, you're typically on your own for things like cable, internet, and utilities. Then, it depends on things like the size of the unit, as more square feet usually means more money. Or perhaps you want a two-specific colors (if you can paint at all). The loft-style of the upstairs keeps things feeling open and airy throughout the space. 27 | Visualizer: Media Studio Arch White tiles and floor-to-ceiling windows make this colorful apartment an ideal beach retreat for friends or family. Three bedrooms can offer separate room for children, make a comfortable space for roommate, or allow for offices and guest rooms for smaller families and couples. A Jack and Jill bathroom makes a perfect option for siblings with the master bedroom has it's own bath and walk-in closet. Often, apartment complexes come with amenities like a pool or fitness center. If you travel a lot for work or transfer often, it's easier to pick up and go. Balcony The balcony is located off of the living room, and it measures 6 feet by 10 feet. The kitchen includes a breakfast bar as well as a dining area. The kitchen also has a large island with seating for three people. It could be an office or dining room by day, bedroom by night. 5 | Source: Privie World 6 | Source: Privie World 7 | Visualizer: Astin Studios 8 | Source: Brides At Kendall Place Working with a small space than some of the other designs in this round up, this three bedroom apartment still has all the trappings of a comfortable, modern home. A Studio Luxury Apartment If you want to live in luxury but at a smaller price point, then a studio might be for you. Outdoor lounging areas complete this modern, luxurious layout. Plus, the open floor plan of the kitchen, dining, and living area take you straight outside onto the walk-out patio. Here are a few average rental prices for luxury apartments in several major cities to give you an idea. The best 3 bedroom apartment plans. Plus, if the apartment complex includes a lot of perks, you'll pay for them within your rent. Plus, any extras the complex offers that are important to you, like a gym, pool, off-street parking, etc. Smaller units may include a laundry closet or space in the bathroom or kitchen that can at least accommodate a stacked washer/dryer. It's also a great place to set up a laptop for work or review recipes, or as a place for kids to do their homework. Levels As far as levels, 3 bedroom apartment plans may be one story or two stories. Couples planning to start a family might look for at least a three-bedroom unit for a family of four. Often, the location is excellent; you'll be in the heart of an urban area, close to entertainment, shopping, and restaurants. 11 | Source: Supertech Supernova Once again, outdoor spaces are key to this three bedroom design. There are many other possible layouts that you could choose from, depending on your specific needs and preferences. But, if this applies to you, consider a shorter-term lease, and know that they typically cost more per month. What are the cons of living in a luxury apartment?Everything with pros also has some cons. The master bedroom measures 12 feet by 15 feet, and it includes a large walk-in closet and an en-suite bathroom. All the bells and whistles in the world won't do you any good if you're stressed about the price tag. Of course, when it comes to cost, a lot depends on where you live. 33 | Visualizer: Oxyzone 34 | Visualizer: Oxyzone 35 | Visualizer: Budde Design Carefully consideration gives this three bedroom design space for a two car garage and indoor as well as outdoor dining areas. The kitchen measures 10 feet by 12 feet, and it includes a refrigerator, stove, oven, microwave, dishwasher, and sink. Two-Story Luxury Apartment This two-story, three-bedroom unit converts the bedroom on the upper level into a den area instead. So, first, narrow down your search area, then start working within your budget. Basically, with an apartment, you give up some control of your living situation. This bedroom includes a large window that overlooks the street, and it also has a built-in closet. Dining Room The dining room is located next to the kitchen, and it measures 10 feet by 12 feet. A comfortable, modern living area is spacious enough for family gatherings while windows on two sides make it seem even larger. Older, retired couples might wish to downsize from their homes into smaller two-bedroom apartments. You'll also find ample storage throughout.What this unit lacks is a dedicated dining area, but with creativity, you can incorporate one into your living room. 16 | Source: Landtrades This design acknowledges both the importance of outdoor spaces and of privacy by giving each bedroom its own separate balcony and allowing residents to retreat to their own corner, or commune in the formal dining area and spacious kitchen. 3 | Visualizer: Astin Studios In a spacious design that would be perfect for roommates, this three bedroom house includes private baths for each room and a separate guest bath in the front hall. You can also find apartments that include things like laundry, a balcony, and featured amenities like stainless steel appliances.If you're single, then you might splurge on a smaller luxury apartment with one bedroom but tons of amenities. Check out a wide array of floor plans for four bedroom ... Check out the vast primary bedroom suite in this 3 bedroom luxury apartment plan. Maybe your image includes a tiny balcony or patio area, but surely no frills. Therefore, carefully assess what you're getting for your money. Outdoor space like this significantly increases the overall size of the unit. Bedroom 3 Bedroom 3 is located at the front of the apartment, and it measures 9 feet by 11 feet. But, that same unit could cost you closer to \$3,700 in Philadelphia. A small kitchen and an office area complete the comfortable home. This is just one example of a 3 bedroom apartment floor plan with dimensions in English. The living room includes a large window that overlooks the street, and it also has a fireplace. If you opted for a Murphy bed, then you could do even more with the space. The master retreat in this apartment is substantial, with an impressive bathroom and walk-in closet. Some kitchen layouts will offer a peninsula counter with bar seating, which is useful when 1 or 2 people want to have a quick breakfast. But better doesn't always mean bigger; sometimes luxury apartments can be small but feature impeccable quality and amenities.If you're in the market for a luxury apartment, you need to start with two things: your budget and location. 36 | Visualizer: Budde Design 37 | Visualizer: Budde Design 38 | Visualizer: Budde Design 39 | Visualizer: Budde Design 40 | Visualizer: Budde Design 41 | Visualizer: Budde Design 42 | Source: PCMG 43 | Visualizer: Pittie Kourtyard 44 | Source: Sidha Group Built in closets and a separated kitchen make this three bedroom space both modern and comfortable. And, renting is more flexible than owning, which for many is a good fit. In some cases, what you get for this extra rent might seem worth it, but it might be overinflated too. In this article, we will provide you with a detailed 3 bedroom apartment floor plan with dimensions in English. You'll likely have the usual amenities, but granted, they might be a bit more elevated (think resort-style pool area). 17 | Visualizer: Tech N Gen 18 | Visualizer: Tech N Gen This three bedroom apartment is bright and airy though may be lacking in the storage department with only a few small wardrobes to speak of. Related Articles Published June 24th, 2021 10:11 PM When designing a 3 bedroom apartment floor plan, there are many factors to consider, such as the overall size of the apartment, the number and size of the bedrooms, the location of the kitchen and bathrooms, and the flow of traffic throughout the space. Whether you are a family, a group of renters looking to share a larger space, or a couple who wants a separate guest room and office, there's a 3 bedroom apartment plan out there for you. he bedrooms are not large, but the centralize living area and patio leave space for ultimate relaxation. Bedroom 2 Bedroom 2 is located next to the master bedroom, and it measures 10 feet by 12 feet. You could also have entertaining places like a game room, rooftop deck, extra green space, or even a movie theater. 9 | Visualizer: Guillermina Another three bedroom home that would be ideal for a small family in an urban environment. Not only does it use neutral browns and grays throughout, it features four separate outdoor patio areas. You might also enjoy extra amenities because you're in a more upscale complex. 19 | Visualizer: Tech N Gen 20 | Source: Domaine at Villeboise 21 | Visualizer: Domaine at Villeboise 22 | Visualizer: Dowling Jones Design This apartment keeps the communal living areas separate from the bedroom flow, making it easy to maintain privacy when necessary. You can choose from a different number of bedrooms and bathrooms, as well as storage space. For luxury apartments, one of the cons is certainly price; you're paying a lot more than a standard apartment. Kitchen The kitchen is located in the center of the apartment, and it is open to the dining room. Access to the outside allows for al-fresco dining, a small play space, or to grow a patio garden in several pots. Plus, you potentially have better views. You'll likely find more extensive terraces, larger rooms, and bonus features like fireplaces and jacuzzi tubs. The balcony is a great place to relax and enjoy the outdoors. It's a great place to store bikes, scooters, and other sports gear.
